# ONTARIO DISTRIBUTION

The first column under the Head "Distribution" shows the Postal Car Route or Distributing Office through which matter for the several Offices should pass. The second column under the head "Distribution" shows the Office on which the matter is forwarded by the Railway Mail Clerk or Distributing Office when not mailed direct. The third column gives the frequency and other necessary particulars regarding the service.

Dy.\* means daily including Sunday. Dy. means daily except Sunday.

The letters (S) and (W) in the Distribution column show how matter should be forwarded in Summer and Winter, respectively.

An \* before the name of an Office indicates a Customs Port or Outport.

(S) after the name of an Office indicates a Summer Office, with name of Post Office in parenthesis (.....) in second column of Distribution, to which mail should be sent when Summer Office is not operating.

A ‡ before the name of an Office indicates that the office has service by Catch Post only.
